

# Recycling and Refuse Holiday Collections

Your curbside collection may be affected by the following holidays, when recycling and refuse WILL NOT be collected:

**New Year's Day**  
**Labor Day**

**Martin Luther King Jr.'s Birthday**  
**Thanksgiving Day**

**Memorial Day**  
**Christmas Day**

**Independence Day**

If the holiday falls on a weekday and your regularly scheduled collection day is on or after the holiday, your collection will “slide” to the next day. Friday collections will be done on Saturday.

What does it mean for my collection to “slide” a day? For example, a Monday holiday will shift collections to the next day for the rest of the week:

| Sunday | Monday                       | Tuesday            | Wednesday           | Thursday              | Friday               | Saturday           |
|--------|------------------------------|--------------------|---------------------|-----------------------|----------------------|--------------------|
|        | No Collection due to Holiday | Monday Collections | Tuesday Collections | Wednesday Collections | Thursday Collections | Friday Collections |

While a Wednesday holiday will only shift collections one day on or after Wednesday:

| Sunday | Monday             | Tuesday             | Wednesday                    | Thursday              | Friday               | Saturday           |
|--------|--------------------|---------------------|------------------------------|-----------------------|----------------------|--------------------|
|        | Monday collections | Tuesday Collections | No Collection due to Holiday | Wednesday Collections | Thursday Collections | Friday Collections |
